Breakout Session Options

(You will have the opportunity to attend two of the options listed)

The St. Thomas Education

What is academic life like at St. Thomas? Come and ask questions and hear about everything from our core curriculum to how much time you will be spending in the library. A panel of current students, professors and a representative from academic counseling will answer your questions.

Financing Your St. Thomas Education

Learn about the value of a St. Thomas education and our commitment to our students. Discover how the St. Thomas financial aid process begins at the point of admission. Feel free to ask our financial aid staff all of your questions.

The Process: How Colleges Choose You

You're not the only one shopping – colleges are shopping, too! They want students to succeed! It's not who you know; it's what you know, what you've done so far in high school and how you'll stick with it in your senior year. Hear from Marla Friederichs, Associate Vice President of Admissions and Financial Aid, and learn how admission offices make admission decisions and build their freshman class.

Life as a Tommie

Listen to current students talk about life as a Tommie. Discover what it's like being involved in clubs and organizations, campus life, athletic events and traditions that make UST unique.
