The St. Thomas Academic Experience
What is academic life like at St. Thomas? Learn about everything from our core curriculum
to how our professors and academic advisors help you find success. A panel of current
students and professors will speak to you about these topics and many more.

Financing Your St. Thomas Education
Learn about the value of a St. Thomas education and our commitment to our
students. Discover how the St. Thomas financial aid process begins at the point of
admission. Feel free to ask our financial aid staff all of your questions.

The Process: How Colleges Choose You
You’re not the only one shopping – colleges are shopping, too! They want students to
succeed! It’s not who you know; it’s what you know, what you’ve done so far in high
school and how you’ll stick with it in your senior year. Hear from Dan Meyer, Associate
Vice President of Admissions and Financial Aid, and learn how admission offices make
admission decisions and build their freshman class.

Beyond the Classroom
Listen to current “Tommies” talk about St. Thomas life outside the classroom. Topics
include what it’s like being involved in clubs and organizations, faith life on campus, living
in the dorms, athletics and traditions that make UST unique.
